

MON STATE INVESTMENT FAIR 2019

Vision:

- ❖ The Mon State Investment Fair will mark an important investment fair for 2019 that will open the doors for potential international and local investors to explore the resources of the state.
- ❖ The event will be a venue for business partners, policy makers, and the local communities to collaborate and discuss opportunities that will support socio and economic development of Mon State.

Objectives:

- ❖ Link Mon State to global and national investors to promote its key sector industries (Tourism, Agriculture, Mining, etc.)
- ❖ Engagement of financial stakeholders to support development projects in the State
- ❖ Invite economic development and job creation for local population
- ❖ Undertake State level mapping of key investment opportunities and potential
- ❖ Provide information available to investors about the State

Expected Outcome:

- ❖ The successful implementation of the event will result to promotion networking and linkages of investment stakeholders and will market the state's existing and potential business opportunities.
- ❖ Moreover, this may also contribute to infrastructure development as a result of increased investments resulting to creation of jobs and eventually reduction of poverty cases.
